**Uploaded to Internet: May 3, 2011**

**Participating Addendum, Western States Contracting Alliance  
Master Price Agreement #1862 for Industrial Supplies & Equipment,  
Janitorial Supplies & Equipment,**

The State of South Carolina is pleased to announce its participation in the Western States Contracting Alliance (WSCA) Master Price Agreement #1862 for Industrial Supplies & Equipment, Janitorial Supplies & Equipment, with Grainger, Inc. This agreement is for all State Agencies, Political Subdivisions, and Higher and Technical Education Institutions of the State of South Carolina for the purchase of MRO products (Material, Repair and Operating Equipment and Supplies). This agreement is effective **May 1, 2011** and is due to expire on **February 28, 2014**.

This Master Price Agreement is a **multiple award**, catalog-wide agreement involving the three largest suppliers of MRO products:

**FASTENAL, Inc.**

***South Carolina Contract [#5000011405](#)***

**MSC Industrial Supply Co.**

***South Carolina Contract [#5000011406](#)***

**W.W. Grainger, Inc.**

***South Carolina Contract [#5000011407](#)***

This Agreement will allow the State many extra benefits designed to help lower overall costs with the flexibility to select from three approved vendors. The consolidation of vendors, reduction of on-hand inventory, product standardization and price discounts on products will help South Carolina Agencies and Political Subdivisions save money.

**This agreement does not apply to the purchase of Lamps and Ballasts; Paper Towels, Toilet Paper and Dispensers; and Trash Can Liners, as there are existing Statewide Term Contracts pertaining to the purchase of those items.**

WSCA has established a market basket in excess of 1,500 items. Additionally, you will have access to hundreds of thousands of items found in the vendors' catalogs, which you may access through the above Contract numbers.

Enjoy your savings!

John R. Stevens, CPPB  
State Procurement Officer
